

## The American School of Bombay (ASB) seeks teachers for the Elementary School World (Additional) Language Program

Students in grades 2-5 at the American School of Bombay have the opportunity to learn an additional language of their choice. **Currently, the school offers Hindi, French, Spanish, and Mandarin and is seeking to expand the program to offer other world languages.** The FLEX Language Program exposes students to develop a love of another language and fosters student ownership and choice. Learning and research suggest that the study of another language in elementary school enhances enthusiasm for language learning, develops communicative competence and greater awareness of other cultures.

ASB seeks applications from experienced teachers to provide instruction in World Language Program.
